

# ARALEZ SCOUTS OF ARMENIA

To whom it may concern

*October 12, 2023*

*Letter No. 110/23*

This is to certify that Eva Gashtyan has been an active member of the ARALEZ Scouts of Armenia (previously known as the AGBU Scouts of Armenia) from May 2018 until this day and has actively participated in the activities and programs conducted by the Scouts movement. Eva is also active in the Editorial team, where she publishes online content and the Scout Monthly newsletter. She is also an active member of the Book club, which promotes the art of reading to the youth.

Throughout the year, the ARALEZ Scouts of Armenia organize numerous charitable events, youth development activities, and camps, which help the Scouts grow into active, helpful, and responsible citizens in their country. We aim to instill values in young people and prepare them to make ethical choices throughout their lifetime, thus enabling them to achieve their full potential. The values we strive to instill are based on those found in the Scout oath and law.

In the scouting movement, every member (i.e., a Scout) is a part of a patrol, and every patrol is a part of a larger troop, and so on. Therefore, if a Scout can succeed and be an active member of a team, then they have a better chance of succeeding in life as a Scout, rather than as an ordinary citizen.

The ARALEZ Scouts of Armenia are fortunate to have a young, energetic, and active member like Eva, and we are 100% certain that she will be a great addition to any institution she joins.
